

Refereeing U6 Age Group

The U6 age group, both boys and girls, will not have official referees for their games. The coaches will share the responsibility for refereeing their games and we suggest the following procedure:

1. Home team coach to referee the first half of the game
2. Away team coach to referee the second half of the game

A coach may ask a parent volunteer to referee in their place to allow them to still coach on the field if they so desire. It is the coach's responsibility to ensure that any parent who referees has adequate knowledge of the rules of soccer.

The rules are provided in your coach's package for your information.
